

# Blossom - Core Learning – Spring 1

## Literacy

## Topic

### What Happens When I'm Asleep?

#### Understanding the World

I am I a Scientist - Explore the natural world around us, Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter

Winter Wildlife - Recognise how animals prepare for winter

Push or Pull? - Exploring how ways to make objects move

Loud or Quiet? - Exploring different sounds  
Float or Sink? - Exploring whether objects float or sink

## Maths

The children will continue to practise counting, recognising and recording numerals, patterns, shape and size, mass & capacity, length & height through play based activities and songs.

## Phonics

The children in preschool will be slowly introduced to phase 1 of the Little Wandle Letter and Sounds programme, through play based activities and rhymes. These will encourage the children to listen to and hear sounds that are all around them, supporting both their listening, speech and language skills. The children will be learning and singing lots of songs and rhymes, please follow this link with some videos and downloadable lyrics, to support your child at home -
